

# HELP SACRED HEART MAXIMIZE A GENEROUS MATCHING CONTRIBUTION!

As reported over the past month, a generous donor from outside our parish will match all new or increased online giving contributions made from June 1 – August 31. If you are already an on-line giver, any increase in your contribution between this time period counts toward the match! If you are not an on-line giver currently and would like to simplify the way you donate to Sacred Heart, please consider becoming an on-line giver; whatever amount you give will count toward the match.

Please help the Parish benefit from the full amount of the match - \$43,230. All funds will go toward evangelization programs such as making all Parish retreats free; bringing in more high-profile Catholic speakers in order to inspire all parishioners; and developing ways to inspire youth, including our own Sacred Heart Catholic School students.
